

Are you looking for fresh programming for your quilt shop or local quilt guild? Look no further! Hello, I'm Rebecca Lidstrom of Studio R Quilts. I am a quilt designer, lecturer, and instructor that offers fun and engaging programs for quilters of all levels.

Lectures

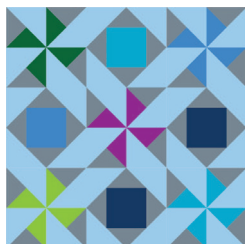

Live for Today: The Journey of a Passionate Quilter

A typical type A personality, Rebecca had a plan for life. She thought she had it all figured out until something unexpected made her re-evaluate her priorities. Join Rebecca as she shares her story of how she was able to bring more joy, passion, and enthusiasm into her life through quilting. This trunk show takes you along on her quilting journey and shares some lessons she's learned along the way.

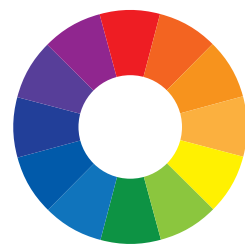

Simple Design Changes That Make a Big Impact

Simple design changes can have a big impact on the look of a quilt without creating a lot of extra work. Join Rebecca for this trunk show where you'll see these simple design changes in a versatile collection of quilts. The options are endless when you combine these simple design changes into one quilt. You'll leave inspired to see how you can incorporate simple changes in your quilts.

The Magic of Secondary Design

Some times intentional and some times an unexpected surprise, secondary designs in quilts create movement and add another level of visual interest. Join Rebecca for this trunk show where she reveals tips and tricks that you can use to create secondary designs in your quilt projects. Leave inspired to make your own magic with secondary designs.

Color Theory for Quilters

Choosing fabric color combinations is a skill every quilter can master. Join Rebecca as she share the basics of color theory in a way that's easy to understand and apply. Along the way, you'll learn how to create a color wheel, how color interacts with one another, and classic color combinations. The importance of value and color balance are also explored. Leave with ideas you can use to develop your own sense of color and feel confident choosing fabrics for any project.

Lecture Details

Class Size: Unlimited

Time: 1 Hour + additional time for Q&A

Cost: \$350

Quilt guild will be asked to pay for hotel, airfare, and/or mileage rates, when applicable.

"I have been struggling lately with a quilt that I've been working on that has taken away much of my "fever" for quilting. BUT, today, that FEVER is back. Rebecca gave us so many awesome ideas with her presentation."

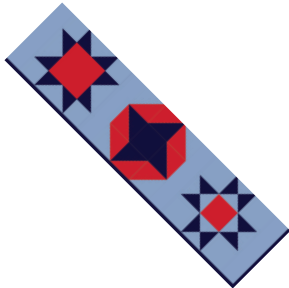

- Linda, Lake Country Quilt Guild
Simple Design Changes That Make A Big Impact Lecture

Workshops

Pick A Pattern (half-day or full-day)

Choose any quilt pattern by Studio R Quilts and enjoy a day or quilting with Rebecca. Students will learn techniques, tips, and tricks to help piecing and assembling the quilt project. This is a custom workshop developed specifically to meet the needs of your quilt guild members. Rebecca can make recommendations to find the perfect pattern for your needs. Students are each required to purchase a copy of the quilt pattern.

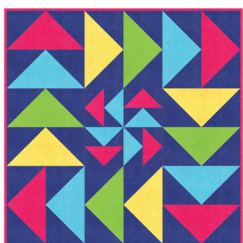

Stars Table Runner (half-day)

Star blocks are popular in quilts and are often constructed with basic block units. In this class, we will focus on star blocks that are made with half-square triangles, quarter-square triangles, and flying geese. These basic block units can be used to make a wide variety of different star blocks. In class, we'll make the Ribbon Star, Ohio Star, and Sawtooth Star blocks which can then be joined into a 12" x 48" table runner. Have fun while building your confidence with star blocks.

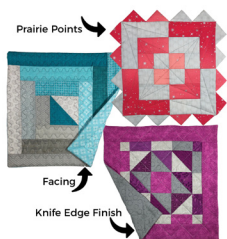

3 Methods To Make Half-Square Triangles (half-day)

The half-square triangle is a versatile quilt block that every quilter should master. In this hands-on class, we will make half-square triangles using 3 different methods (2 at-a-time, 4-at-a-time, and 8-at-a-time). Along the way, you'll learn common piecing issues, and learn the math to customize half-square triangles to any size. We will finish the class experimenting with different layouts using half-square triangles where you can build a custom table runner or wall hanging.

3 Methods To Make Flying Geese (half-day)

Flying Geese blocks are commonly used in quilting and a block you shouldn't fear making. In this hands-on class, we will make flying geese using 3 different methods (traditional, stitch and flip, and 4-at-a-time). Along the way, you'll understand the pros and cons of each method, troubleshoot common piecing issues, and learn the math to customize flying geese to any size. We will finish the class experimenting with different layouts using flying geese blocks and learn how to join blocks without chopping off your triangle points.

Alternatives to Binding (half-day)

Looking for new alternatives for finishing your quilts? Learn 3 new methods for finishing a quilt, including facing, knife edge finish, and prairie points. Learn how to prepare materials for these finished edges and how to stitch them together. Along the way, you'll discover helpful tips and tricks that will help you finish your next quilt using an alternative method to traditional quilt binding.

Custom Designed Workshop (half-day or full-day))

Looking for something more specific for your quilt guild. Work with Rebecca to develop a custom workshop on topics of interest to the quilt guild. Custom workshops can be designed for either a half-day or full-day agenda Contact Rebecca to discuss what options are available.

Workshop Details

Half Day Workshop

Class Size: 24 Maximum

Time: 4 Hours

Cost: \$500

Full Day Workshop

Class Size: 24 Maximum

Time: 7 ½ Hours (includes 30 minute lunch break)

Cost: \$850

Quilt guild will be asked to pay for hotel, airfare, and/or mileage rates, where applicable.

Schedule Your Guild Event Today!

If you are interested in scheduling a lecture or workshop, please email rebecca@studiorquilts.com or call 608-345-0418.

Save \$100 when you reserve a lecture and a workshop for your guild

About Studio R Quilts

Rebecca Lidstrom is the founder and creative force behind Studio R Quilts. She is an enthusiastic quilter, designer, and educator with over 20 years quilting experience. One or two quilt blocks, a handful of fabrics, and simple design changes define Rebecca's quilt aesthetic. She takes the intimidation factor out of the quilt making process and believes regardless of skill level, anyone can make a quilt. Rebecca is excited to share her quilt knowledge with the quilting community. She creates from her studio in Madison, WI.
