Perfect Patterns for Beginner Quilt Classes

Continue to guide beginner quilters with a regular line up of quilting classes that will help them further develop their skills and learn new techniques. Skill Builder patterns are great for beginner classes and provide your shop another opportunity to sell. Build a custom class schedule with the right mix specific to your customer needs. Here is a great example of a quarterly class schedule for a first time quilter.

Beginner Quilt Class Series

1. **High Rise** - Introduces students to piecing accuracy and nesting seams
2. **Sticks & Stones** - Focus on build block units and introduces students to partial block technique
3. **Sock Hop** - Introduces students to strip piecing, sashing and corner stones and on-point blocks
4. **Diamond Daze** - Introduces students to triangles using a no-bias construction method

This is one suggestion for a year long class offering. Custom recommendations for your shop can be provided. Class curriculum is available for all quilt patterns to assist your shop instructors. Contact Rebecca for more details.

Two Blocks Secondary Designs
